Adverting to your letter No. L7789-90/V.P.29-29-15 dated 26th May 1933 in the matter of simplifying the questionnaire relating to the audit of the accounts of the Village Panchayets by the Revenue Inspectors, I have the honor to state that though the number of questions appears to be large groups of them relate to one matter only and answering in most cases would be easier than appears at a glance. The questions are effective as directing attention to important features of the rules and orders. I am therefore of opinion that the present form may be tried for a year or two and the question of revision taken up thereafter if experience shows that it is necessary.

I have the honor to be,
Sir,
Your most obedient servant,

M. Venkatesa Iyengar
Comptroller.
